Probiotic

99% Lactose Free

NON-GMO

Dear Store Manager,

Please carry Cupful Kefir in your store! I, as your loyal customer would love to be able to buy Cupful Kefir in your store on a regular basis. Cupful dairy products are: made from 100% grass fed milk, non-GMO, packed with 12 live and active probiotic cultures and protein, and are low in sugar. In addition, unlike regular yogurts these are 99% Lactose Free. They are different from anything else you have on your shelf! Thank you for considering these products in your store! Please reach out to makers of Cupful directly office@mycupful.com with any questions.
